

D. M. Clewell.

April 9

How glad we all are that again all Nature rejoices. The sunshine, the birds, each little bush and shrub, show the thousand and one almost invisible and indescribable indications of returning Spring time, are again—after the long, dreary "winter of our discontent"—near at hand. Did you ever stop and think what an invigorator the sunshine is to us all, physically and mentally, and how perfectly in tune with Nature our habits and inclinations to renew our habits, fittings and furnishings, in our persons and homes? This is all proper, and as it should be. Henry Ward Beecher is credited with saying, "Clothes do not make the man, or woman; but it is an undeniable fact that they do look better dressed."

This brings me to the subject matter in hand—"PRETTY DRY GOODS"—my "all absorbing theme, sister, while I sing."

First, this time, we want to tell you of our pretty lines of Ladies' Cloth Jackets, English Walking Coats, Spring Newmarkets, Princess or Peasant style Wrap, Cloth Shoulder Mantels, in all sizes and colors, and a variety of Prices.

We have taken special care in getting this line of goods, and feel confident that we are showing very much the prettiest, newest, and in every way the best line of Ladies' Cloth Garments in this section. A lady in our store this last week, from Akron, had an accordion-pleated mantle—one EXACTLY the same as we are selling at \$5.00;—she paid \$6.50 for hers. It came from the same factory, and was identically the same thing. I mention this, to impress on our customers the fact, that we do sell everything on a closer margin, and offer you good goods, ALWAYS at low—and many times we give you goods much below our competing towns.

We have an elegant Oak Room, well lighted, and we reach it by our New Elevator. You can comfortably and pleasantly served, and find what you want. In the same department we show our

Lace Curtains, and Silk and Turcoman Drapery Curtains

And we just want to say to you, that if you want anything in this line, that you can't afford to pass us. We show over sixty different things in Lace Curtains, from 75c to \$15.00 per pair. The styles are new and very pretty, and prices lower than ever before. We have been having a large trade in this department already, this early.

We have just received some 10 or 12 new pieces of DRAPERY MUSLIN. Also, WHITE FIGURED SWISS in dot, and figures of different designs, at all prices.

We also have about a CORD of our superior quality of 5c Curtain Scrim, same as we sold such quantities of last Spring. Everybody has seen Scrim, now, but our customers all tell us that ours is very much the best they find anywhere. So when you want the best, come to us.

OUR SALES OF Ladies' Muslin Underwear

Are still in full blast. We begin to realize that it was a great mistake on our part, that we did not put these goods in our store, long ago. Ladies tell us, twenty times every day, that they never saw such nice goods, and they never saw such good qualities, and never saw them at the very low prices we sell them at. You see we "don't want the earth," nor expect to get wealthy off the sales of a few pieces of them. Notwithstanding our original purchase of these goods exceeded \$1,000 in amount, we have had to order several times to keep up the line of sizes of the popular styles, etc. We also have just added to this line of 10 doz. Children's pretty White Dresses, beautifully made and trimmed—dainty as can be, from \$1.35 to \$4. We will display a fine line of these dresses for the little ones in our east window the coming week. Look at them. We also have added a large line of Children's Night Dresses, in great variety of styles and sizes, from 40c. to \$1.00—very pretty, and the prices are simply wonderful. Don't think of buying material and making them yourselves, till you see what we can do for you.

We again want to call your particular attention to our Department of Ladies', Misses and Children's, and Gents' lines of Medium and Summer Underwear. You may not know it, but it is true, that there is nothing approaching our stock of these goods in this town or vicinity. It is wonderful, the growth of this trade and the marvelously low prices for really good goods. The improvements the manufacturers have made in this line of goods are known only by the dealers, in its true sense. Goods that sold a year or two ago at 50 and 60 cents, sell, better made goods and better shape, at 25c, and all through the different lines in about the same proportion. We have all sizes and weights, and can fit you out at prices that will be a gratifying surprise in every respect. Come to us and you will find just what you want. There is any amount of RUBBISH in Jersey Underwear offered by many dealers. Most of this stuff that is advertised by many, is old stock, imperfect in shape, and good for nothing, and can not be sold hardly at any price. We have none of this, but all new, well made, good, desirable shapes and qualities, and you can buy this kind of underwear of us at as low, and even lower prices than you usually have this stuff I refer to. It is not cheap at any price.

And once more let me call your attention to our stock of the

CELEBRATED "CLEANFAST" HOSIERY!

Of course everybody has fast black hosiery "just as good as the Clean fast,"—but they haven't. A good thing always has counterfeits, and do you know that in this day and generation, a reputation is worth a good deal. And how does any manufacturer succeed in gaining one, only by producing an article of superior excellence—and most of the people know a good thing when they see it, and that is the reason why we always try, and do when possible, offer you the very best of everything. And remember, this Clean Fast Hosiery don't cost you one cent more than any other hosiery—in fact we are selling it for less than many dealers are asking for poor stuff. A lady in our store last week looked at these goods, after having bought a few pairs elsewhere. She took them back, and came to us and bought the genuine goods, and she told us that the quality was better and the prices lower—and this is the way it goes. I think I state a fact strictly within the bounds of truth, when I tell you that we carry a stock (and sell them too) larger and better than all our competitors combined.

The many pretty things in our

BLACK DRESS GOODS!

Department, the great variety of styles and colorings in our Colored Wool Dress Goods, is so large that ladies never have any trouble in finding just what they want. We always have Butterick's Metropolitan Fashions, and have added McCall's fashion book, which is at the service of our lady friends—showing all the new styles and trimmings, which helps them to select, and gives the number of yards necessary for any given garment. Our Dress Goods Department is a nice, comfortable room, carpeted, and every convenience and comfort afforded our trade to facilitate and make their shopping a source of pleasure as well as profit. Then our stock of all the

NEW STYLES OF TRIMMINGS

is large and choice. We have all the new things as they appear, and if we haven't just what you want we will order it specially for you, and will not consider it anything but a favor on your part to do so. We study to please, and we want you to know that we appreciate your kindness in patronizing our establishment, and it is due you in return for such preference to us, that we are glad to reciprocate the favor, by doing all we can to please you—help you to get just the thing you want.

OUR ORDER TRADE

is another item we want to tell you about. We have organized this feature of our business so that we are enabled to please a large and constantly increasing number of customers. We daily receive orders from all over the country, wherever our local papers go, asking us for samples, etc., which in due time return to us in orders for goods, from all departments of our store. We have in the past sold dress goods, gloves, underwear—all kinds of goods—to Kansas, Michigan, Kentucky, Tennessee, Southern Ohio, almost every town in Portage County, and some towns in adjoining counties. You know the old saying, "A prophet is not without honor save in his own country." However this may be, we again ask you all, if you are thinking of buying anything we sell, if you CAN'T or WILL NOT COME to us, write us, let us send you samples, and write you what we can do for you. It won't cost you anything to try it, and we know we are doing a large business in this manner, and can, we truly believe, be of substantial service to you. Our experience and facilities are such that we feel justified in claiming all we say, and if "That which pleases long and pleases many, must possess some merit," be true, and who "says nay," then we feel that we are making no unreasonable claim to ask you for your patronage. Your letters to us will always have the writers very best and prompt personal attention, and we respectfully solicit correspondence from any and all persons in any way interested.
